Julian Harris Network renews contract for Xplan Mortgage and The Exchange

Iress announced today that Julian Harris has renewed its contract for Iress sourcing products Xplan Mortgage and The Exchange for an additional three years. As part of the renewal, Julian Harris will launch the Client Portal and advice modules in Xplan Mortgage to its advice network.

The renewal covers around 100 advisers across the UK and extends the network's initial five-year contract. Under the agreement, all network advisers will use Xplan Mortgage and The Exchange to source their customers' mortgages, protection, and annuity products.

Iress's Managing Director, Sourcing, Jennifer Rafferty, said, "We're proud that Julian Harris Network has extended its partnership with us. It's a testament to the strength of our relationship and the flexibility and scalability of our sourcing software. Xplan Mortgage and The Exchange offer a powerful combination of mortgage, protection, and annuity products. They will be integral to helping Julian Harris Network drive growth over the next three years."

Julian Harris Network's CEO, Julian Harris, said, "I am very pleased to continue our exclusive arrangement with Iress. We have used Xplan Mortgage and its predecessors for decades and regard them as the industry's leading sourcing system for mortgages and protection. The addition of the Client Portal and advice module, which we are launching to our members this month, will give our members a smooth advisory recording process and the best products for clients, selected from the whole of the marketplace."
